PROFESSIONAL SUMMARY

UX designer with 10 years in web and mobile product design. Led design for healthcare and e-commerce teams; mentor to junior designers.

CORE COMPETENCIES

User research, wireframing, prototyping, interaction design, accessibility (WCAG), Figma, usability testing, stakeholder workshops

CERTIFICATIONS & TRAINING

- Certified Usability Analyst (CUA)
- IAAP Web Accessibility Specialist (WAS)
- Nielsen Norman Group UX Certification

PROFESSIONAL EXPERIENCE

Lead UX Designer, Riverside Health Apps | 2019 – Present

- Lead a team of 5 designers across the patient portal and clinician dashboard.
- Reduced appointment-booking drop-off from 41% to 23% by redesigning the flow.
- Mentored 6 junior designers; 5 were promoted within two years.
- Led an accessibility overhaul bringing the portal to WCAG 2.1 AA compliance.

UX Designer, Anselm Commerce | 2014 – 2019

- Designed checkout and account screens for a marketplace with 2M monthly users.
- Joined the design-system working group and co-wrote the component guidelines.
- Ran monthly usability sessions and presented findings to product leads.

Visual Designer, Maple Grove Marketing | 2012 – 2014

- Produced web and email layouts for 20+ small-business clients.
- Completed the agency's front-end HTML/CSS training and shipped templates.

EDUCATION

BFA Graphic Design, Ohio State University, 2012
